About Us

Ronak Publication House is an MSME, Govt. of India as well as in Startup India registered Traditional Publication House in Delhi, India which aims to become the best platform for young writers seeking to get their books published with ISBN. They are also an ISO 9000-2015 certified company and affiliated member of the Federation of Indian Publishers (FIP). Registered printer with the Press Portal of India, ensuring compliant and recognized publishing standards. They are a rapidly growing traditional publication house attempting to launch as many new authors as possible and are actively seeking submissions. They are not just publishing the books but also providing expert guidance and support throughout getting a manuscript to print.

Ronak Publication House carries a diverse collection and is always on the lookout for new talent. They not only accept fiction but also Non-Fiction, Academics, Non-academics, Technical, Non-technical, Journals, Magazine or Newsletter categories as well. They also serve as a medium for the exchange of ideas concerning Publication, National and International Conference Proceedings, Sales, Copyright and other matters of interest to books and digital book publishers.

Our Mission

Ronak Publication House is your gateway to a world of writing, design, and publishing expertise for both budding and established authors. Our team comprises seasoned professionals with a diverse portfolio including best-sellers, cookbooks, children's books, fiction, exposés, travel guides, memoirs, and self-help books. For authors seeking traditional publishing, our in-depth editing services will ensure your manuscript is polished to perfection for agency review. Additionally, we provide coaching and ghostwriting

by award-winning, traditionally published authors. As a hybrid publisher, Ronak Publication House (RPH) publishes books under its own label as well as those authored by our collaborators. Self-published authors retain full financial rights. At RPH, we do not claim ownership of your work or its profits.

Self-publishing can be overwhelming, but with RPH, authors join an experienced and supportive team, ensuring their books become a lasting part of our collection of best-sellers
